AIN'T NO MOUNTAIN HIGH ENOUGH

By: Matthew Brotherton

After entering the promised land following the conquest of Canaan, Caleb requests the land he would like to inherit saying, "Now therefore, give me this mountain of which the LORD spoke in that day; for you heard in that day how the Anakim were there, and that the cities were great and fortified. It may be that the LORD will be with me, and I shall be able to drive them out as the LORD said;" Joshua 14:12. The land of Hebron Caleb requested would be a challenge because it was inhabited by giants and had great fortified cities. At 85 you would think he would want to rest but he accepted another challenge and was victorious (Joshua 14:14). Challenges at any age are challenging but Caleb was victorious because he continued to trust in God (Numbers 14:8-9), he relied upon the Word of God (Joshua 14:6), and he wholly followed the Lord (Joshua 14:8-9). What mountains are before you? May we like Caleb ask for the mountain knowing that there is no mountain we must climb that is too great for the faithful child of God because we also serve the mighty God of Caleb!
