IF I WERE THE DEVIL

PART 1

By: Paul Harvey

The following is copied from a radio broadcast from Paul Harvey in 1965 as a warning to America. "If I were the devil ... If I were the Prince of Darkness, I'd want to engulf the whole world in darkness. And I'd have a third of its real estate, and four-fifths of its population, but I wouldn't be happy until I had seized the ripest apple on the tree — Thee. So I'd set about however necessary to take over the United States. I'd subvert the churches first — I'd begin with a campaign of whispers. With the wisdom of a serpent, I would whisper to you as I whispered to Eve: 'Do as you please. To the young, I would whisper that 'The Bible is a myth.' I would convince them that man created God instead of the other way around. I would confide that what's bad is good, and what's good is 'square.' And the old, I would teach to pray, after me, 'Our Father, which art in Washington...And then I'd get organized.'" Let us pray always (1 Timothy 2:1-3) and remember "He who is in you is greater than he who is in the World" (1 John 4:4b).
